

DIRECTIONS FOR USE

Sod & Seed Establishment

Application rates are 10 to 25 pounds of product per 1000 sq. ft. dragged into aeration holes followed by watering the soil surface.

Sod & Seed Establishment

Apply Renovate Plus directly to the soil surface and scarify into the top inch or two of soil. Recommended rates are 10 to 25 pounds of product per 1000 sq. ft.

Lawn Care and Turf Maintenance

Apply 10 to 25 pounds of product per 1000 sq. ft. as a top dressing ideally accompanied with surface spiking. On the weakest areas use the higher rates and water in thoroughly.

Ornamental Planting

Renovate Plus can be used at the time of planting for woody ornamentals, perennials and annuals. Apply ½ to 1 cup per potted plant per 1 gallon container.
